BE IT FURTHER RESOLVED that notice of the adoption of this ordinance shall be advertised according to law.

The following Res. # 2005-171/Ord. # 2005-17 (Amend Chapter 84 -Lot Coverage) was introduced by reference, offered by Council President Pernice and seconded by Councilman Mione. Discussion between Mayor and Council followed, after which the resolution/ordinance was passed on a roll call vote of 5 - 0 in favor.

RESOLUTION # 2005-171

BE IT RESOLVED by the Township Council of the Township of Marlboro that an Ordinance entitled:

ORDINANCE # 2005-17

AN ORDINANCE AMENDING AND SUPPLEMENTING CHAPTER 84, "LAND USE DEVELOPMENT AND REGULATIONS", ARTICLE I "DEFINITIONS, PURPOSE AND INTERPRETATION ZONING", SECTION 84-04, "DEFINITIONS" AND CHAPTER 84, "LAND USE DEVELOPMENT AND REGULATIONS", ARTICLE VIII, "SUBDIVISIONS, DESIGN AND PERFORMANCE STANDARDS, SECTION 84-97, "ACCESSORY BUILDINGS AND STRUCTURES"

be introduced and passed on first reading and that the same be advertised according to law; and

BE IT FURTHER RESOLVED that the same be considered for final passage on May 5, 2005 at 8:00 p.m. at the Marlboro Municipal Complex, 1979 Township Drive, Marlboro, New Jersey, at which time all persons interested will be given an opportunity to be heard concerning said ordinance.

ORDINANCE # 2005-17

AN ORDINANCE AMENDING AND SUPPLEMENTING CHAPTER 84, "LAND USE DEVELOPMENT AND REGULATIONS", ARTICLE I "DEFINITIONS, PURPOSE AND INTERPRETATION ZONING", SECTION 84-04, "DEFINITIONS" AND CHAPTER 84, "LAND USE DEVELOPMENT AND REGULATIONS", ARTICLE VIII, "SUBDIVISIONS, DESIGN AND PERFORMANCE STANDARDS, SECTION 84-97, "ACCESSORY BUILDINGS AND STRUCTURES"

WHEREAS, The Township Council of the Township of Marlboro desires to minimize the potential for overdevelopment on residential sites in the future by limiting the area permitted by builders and developers for the actual structures; and

WHEREAS, the Township Council desires to lessen the burden on residential homeowners who wish to improve their property by constructing decks, patios and pools on their properties without having to incur substantial legal and other professional consulting fees by having to make applications to the Township's Land Use Boards for costly variances; and

WHEREAS the Mayor requested that the Township professionals evaluate how the impervious coverage requirements contained within the Township code could be modified to help alleviate the burden on existing homeowners who wish to improve their homes as identified above in conformance with sound land use practices; and

WHEREAS, the Township Council seeks to modify the impervious coverage requirements within the Township code to encourage the use of brick pavers rather than concrete which would allow for infiltration and better serve the environment; and

NOW THEREFORE, BE AND IT IS HEREBY ORDAINED, by the Township Council of the Township of Marlboro, County of Monmouth and State of New Jersey that Chapter 84 "Land Use Development and Regulations", Article I "Definitions,

Purpose and Interpretation", Section 84-4, "Definitions" and Chapter 84, "Land Use Development and Regulations", Article VIII, "Subdivisions, Design and Performance Standards", Section 84-97, "Accessory Buildings and Structures are amended and supplemented to include the following:

§84-4. Definitions

B. Terms Defined:

LOT COVERAGE - That portion or percentage of the lot area, which is covered by buildings; paved and unpaved walkways, roads, driveways and parking areas; pavement; or other impervious surfaces. In short, Lot Coverage refers to all impervious surfaces on site.

IMPERVIOUS LOT COVERAGE - That portion of one (1) lot or more than one (1) lot, which is improved or is proposed to be improved with principal and accessory buildings and structures, including driveways, parking lots, pedestrian walkways, signs, and other man-made improvements which are more impervious than the natural surface.

BUILDING AREA - The aggregate of the areas of all enclosed and roofed spaces of the principal building and all accessory buildings. Such areas shall be computed by using outside building dimensions measured on a horizontal plane at ground level.

BUILDING COVERAGE - The percentage of the area of the lot covered or occupied by the total horizontal projected surface area of all buildings on the lot and including accessory buildings and structures (including covered porches and gazebos, but excluding open and uncovered patios, decks and other impervious surfaces).

IMPERVIOUS SURFACES: Shall mean a hard area that prevents or substantially impedes the natural infiltration of water into the underlying soil resulting in an increase in an increased volume and velocity of surface water runoff. These improvements include, but are not limited to principal and accessory buildings and structures, including driveways, parking lots, pedestrian walkways, signs and other man-made improvements. Accessory structures such as the water area of pools, and decks constructed 18 or more inches above the ground that are gapped to permit

infiltration are not considered impervious items. Fifty percent (50%) of any area covered by pavers installed without mortar shall be considered impervious.

§84-97. Accessory Buildings and Structures.

There shall be included by reference in this section all language set forth in § 84-97A through F, inclusive, except that Subsection D will now present guidelines along with an appendix which outlines the maximum area allowed for an accessory structure by zoning designation.

The following regulations shall apply to all accessory buildings and structures:

- A. Accessory buildings or structures as part of principal buildings. Any accessory buildings or structures attached to a principal building shall be considered part of the principal building, and the total structure shall adhere to the yard requirements for the principal building regardless of the technique of connecting the principal and accessory buildings or structures.
 - B. Accessory buildings or structures are not to be constructed prior to principal buildings. No building permit shall be issued for the construction of an accessory building or structure prior to the issuance of a building permit for the construction of the principal building upon the same premises. If construction of the principal building does not precede or coincide with the construction of the accessory building or structure, the Building Inspector shall revoke the building permit for the accessory building or structure until construction of the main building has proceeded substantially toward completion.
- C. Distance between adjacent buildings or structures. The minimum distance between an accessory building or structure and any other building(s) on the same lot shall be twenty (20) feet, except that no commercial poultry or brooder house shall be erected nearer than four hundred (400) feet to any dwelling on the same lot and no livestock shelter shall be erected nearer than one hundred (100) feet to any dwelling on the same lot or adjacent lot, and except

that accessory buildings or structures other than poultry or brooder houses may be placed a minimum of ten (10) feet from underground structures, such as the water area of swimming pools, provided such accessory buildings or structures are a minimum of twenty (20) feet from any aboveground principal or accessory building or structure.

D. Height and Area Requirements

a) The Maximum Permitted Accessory Structure Area shall be determined by taking 25% of the square footage of the Maximum Principal Building Coverage for each zoning classification. The area of the accessory structure shall be determined in accordance with the Lot and Building Coverage Standards Table, below.

^{*} Cases in which the additional building coverage of an accessory structure may exceed the total lot coverage allowed under the ordinance will be examined by the Planning Board in the site planning stages of the project.

- b) These requirements exclude all uncovered pervious accessory structures such as patios, water area of pools, and decks constructed 18 or more inches above the ground that are gapped to permit infiltration from the building coverage requirements, while meeting total lot coverage limitations.
- c) And, except for agricultural uses, the height of any accessory structure shall not exceed 25 feet or the principal building height.
- E. Location. Accessory buildings or structures may be erected on lots in accordance with the schedule of limitations, except that no commercial animal shelter shall be erected nearer than five hundred (500) feet, or any livestock shelter nearer than one hundred (100) feet, to any lot line, and except that these provisions shall not apply to parking spaces in front yards. If located in a front yard, accessory buildings or structures shall be set back a minimum of twice the distance from any street line than is required for a principal building. If located on a corner lot, the provisions of this chapter for corner lots also apply.
- F. Seasonal housing. Housing provided on farms for seasonal employees shall be set back at least three hundred (300) feet from any public street, four hundred (400) feet from any property line and five hundred (500) feet from the permanent farm residence of the farm.

BE IT FURTHER ORDAINED, that if any section, paragraph, subsection, clause or provision of this Ordinance shall be adjudged by the courts to be invalid, such adjudication shall apply only to the section, paragraph, subsection, clause or provisions so adjudicated, and the remainder of the Ordinance shall be deemed valid and effective; and

BE IT FURTHER ORDAINED, that any ordinances or parts thereof in conflict with the provisions of this Ordinance are repealed to the extent of such conflict; and BE IT FURTHER ORDAINED, that this Ordinance shall take effect upon passage and publication in accordance with applicable law.

RESOLUTION # 2005-172

AUTHORIZING AN AGREEMENT WITH THE COUNTY OF MONMOUTH, PURSUANT TO N.J.S.A. 40: 8A-1 ET SEQ., THE INTERLOCAL SERVICES ACT, FOR FIXED ROUTE PUBLIC BUS TRANSPORTATION THROUGH JUNE 30, 2006

WHEREAS, the Board of Chosen Freeholders of the County of Monmouth (hereinafter, "the County") has established fixed route public bus transportation through June 30, 2006 within the Township of Marlboro; and

WHEREAS, the Township of Marlboro wishes to enter into an agreement with the County for the provision of said transportation services to residents of Marlboro Township;

WHEREAS, the Interlocal Services Act, N.J.S.A. 40: 8A-1 et seq. authorizes local units as defined in said Act to enter into joint agreements for the provision of governmental services, including such services; and

WHEREAS, the proposed contract for the provision of said services is on file in the Township Clerk's office in accordance with the provisions of N.J.S.A. 40: 8A-4;

NOW, THEREFORE, BE IT RESOLVED that the Mayor and Township Clerk are hereby authorized and directed to execute the proposed interlocal services agreement for the provision of the aforementioned services.

BE IT FURTHER RESOLVED that a duly certified copy of this resolution be forwarded to all respective parties.

The following Resolution # 2005-173 (Advising and Consenting to Ethics Board Appointments) was introduced by

reference, offered by Councilman Cantor, seconded by Council Vice President Morelli and passed on a roll call vote of 5 - 0 in favor.

RESOLUTION # 2005-173

A RESOLUTION CONSENTING TO THE MAYOR'S APPOINTMENTS TO THE MARLBORO TOWNSHIP ETHICAL STANDARDS BOARD

WHEREAS, Section 14-7 of the Code of the Township of Marlboro establishes the Marlboro Township Ethical Standards Board; and

WHEREAS, said Board shall consist of six members who shall be appointed by the Mayor with the advice and consent of the Township Council; and

WHEREAS, the members of the Marlboro Township Ethical Standards Board shall be chosen by virtue of their known and consistent reputation for integrity and their knowledge of local government affairs; and

WHEREAS, initially, two of the members shall be appointed to serve for terms of five years, one member shall be appointed to serve for a term of four years and the remaining members shall be appointed to serve for terms of three years; and

WHEREAS, the Mayor made the following appointments to the Marlboro Township Ethical Standards Board: Dr. Michael Cali and Stanley Rosen for terms of five years; Rabbi Donald Weber for a term of four years; and Gail Becker, Ibrahim Naboulsi and Maxine Perlman for terms of three years; and

WHEREAS, the Township Council desires to consent to the Mayor's appointment to the Marlboro Township Ethical Standards Board.

NOW, THEREFORE, BE AND IT IS HEREBY RESOLVED, that the Township Council of the Township of Marlboro consents to the following appointment made by the Mayor to the Marlboro Township Ethical Standards Board:

- 1. Dr. Michael Cali Five Year Term;
- 2. Stanley Rosen Five Year Term;
- 3. Rabbi Donald Weber Four Year Term;

- 4. Gail Becker Three Year Term;
- 5. Ibrahim Naboulsi Three Year Term; and
- 6. Maxine Perlman Three Year Term; and

BE IT FURTHER RESOLVED, that the Ethical Standards Board shall elect a Chairman from among its membership for a term of one year in accordance with Section 14-7B of the Code of the Township of Marlboro.

The following Resolution # 2005-174 (Requesting legislature to compensate municipalities for misconduct by public officials) was introduced by reference, offered by Councilman Cantor, seconded by Council Vice President Morelli and passed on a roll call vote of 5 - 0 in favor.

RESOLUTION # 2005-174

A RESOLUTION URGING THE NEW JERSEY LEGISLATURE TO ENACT LEGISLATION THAT WOULD COMPENSATE MUNICIPALITIES FOR EXPENSES AND DAMAGES INCURRED AS A RESULT OF OFFICIAL MISCONDUCT AND PUBLIC CORRUPTION BY A FORMER PUBLIC SERVANT

WHEREAS, in the recent months, the Township of Marlboro and its residents have learned that they are the victims of official misconduct by at least one former public servant of the Township of Marlboro, specifically former Mayor Matthew V. Scannapieco pleading guilty to accepting six cash payments from a developer and the developer's associates in return for his support of development; and

WHEREAS, as a result of this official misconduct, the Township of Marlboro and its residents have incurred significant expenses and damages, including increased attorney's fees; increased property taxes; increased burdens on other municipal services and an increased burden on the Township's infrastructure as a result of overdevelopment; and

WHEREAS, in 1971, the New Jersey Legislature enacted the Criminal Injuries Compensation Act, N.J.S.A. 52:4B-1, et seq.; and

WHEREAS, that law established the Victims of Crime Compensation Board which is charged with the duty of providing compensation to victims of certain violent crimes who sustained personal injury, mental trauma or death; and

WHEREAS, it is unclear whether municipalities that are victims of public corruption are eligible for compensation under the Criminal Injuries Compensation Act; and

WHEREAS, the Mayor and the Township Council believe it would be fair and just for the New Jersey Legislature to enact legislation establishing a mechanism to compensate municipalities and their residents for the expenses and damages incurred as a result of official misconduct and public corruption by a former public servant.

NOW, THEREFORE, BE AND IT IS HEREBY RESOLVED, that the Township Council of the Township of Marlboro hereby urges the New Jersey Legislature to enact legislation that would compensate municipalities, such as the Township of Marlboro, and their residents for the expenses and damages incurred by the municipality as a result of official misconduct and public corruption by a former public servant; and

BE IT FURTHER RESOLVED, that the Municipal Clerk be and is hereby directed to provide a certified copy of this resolution to the Legislators representing the Township of Marlboro and Acting Governor Richard J. Codey with a request that they assist in any way possible to ensure that the appropriate legislation is enacted to compensate municipalities that become victims of the official misconduct and public corruption by a public servant.

The following Resolution # 2005-175 (Authorizing Contract - Birdsall Engineering) was introduced by reference, offered by Council Vice President Morelli, seconded by Council President Pernice and passed on a roll call vote of 4 - 1 in favor, with Councilman Denkensohn voting no.

RESOLUTION # 2005-175

A RESOLUTION AUTHORIZING THE EXECUTION OF PROFESSIONAL SERVICE CONTRACTS BETWEEN BIRDSALL ENGINEERING, INC. AND THE TOWNSHIP OF MARLBORO FOR THE PROVISION OF ENGINEERING SERVICES IN CONNECTION WITH VARIOUS PROJECTS

WHEREAS, the Township of Marlboro is in need of professional engineering services in connection with the following projects (collectively, the "Projects"):

- 1. Engineering design and construction administration of pavement improvements for the 2005 Road Program, including the following roads: Calgary Circle, Edmonton Lane, Vista Drive, Oxford Court, Forest Court, Fernhill Court, Woodstock Court, Toronto Court, Canadian Woods Road, Memorial Road, Hudson Bay Terrace, Erie Court and St. Lawrence Way;
- 2. Engineering design and construction inspection services for the installation of sidewalks along State Highway No. 79 from the Marlboro High School to Monmouth County Route 520;
- 3. Professional services related to the coordination of all current and potential stakeholders involved in the assessment and improvement of existing stormwater impairments within the Township's four watersheds;
- 4. Engineering design and construction administration of an irrigation system for Union Hill Park and Vanderburg Soccer Complex;
- 5. Provision of the permitting, design and field support for the extension of the existing culvert and pathway construction at the Vanderburg Road Soccer Complex; and
- 6. Conducting a study to identify and catalogue the existing dam structures within the Township; and

WHEREAS, Birdsall Engineering, Inc. has submitted the following proposals (collectively, the "Proposals") to the Township of Marlboro to provide the aforementioned professional services for the Projects:

- 1. Proposal dated March 23, 2005 to provide design and construction administration of pavement improvements for the 2005 Road Program for an amount not to exceed \$47,200.00;
- 2. Proposal dated March 21, 2005 for engineering design and construction inspection services for the installation of sidewalks along State Highway No. 79 from Marlboro High School to Monmouth County Route 520 for an amount not to exceed \$15,000.00;
- 3. Proposal dated March 14, 2005 to provide professional services related to the coordination of all current and potential stakeholders involved in the

assessment and improvement of existing stormwater impairments within the Township's four watersheds for an amount not to exceed \$15,000.00; and

- 4. Proposal dated January 24, 2005 for the design and construction administration of an irrigation system for Union Hill Park and Vanderburg Soccer Complex for an amount not to exceed \$17,300.00;
- 5. Proposal dated February 3, 2005 for the provision of the permitting, design and field support for the extension of the existing culvert and pathway construction at the Vanderburg Road Soccer Complex for an amount not to exceed \$14,900.00; and
- 6. Proposal dated March 10, 2005 for conducting a study to identify and catalogue the existing dam structures within the Township for an amount not to exceed \$9,500.00; and

WHEREAS, the Township Council has deemed it necessary and in the best interest of the municipality to hire Birdsall Engineering, Inc. to provide the required professional services for the Projects in accordance with the Proposals; and

WHEREAS, the services to be provided are considered to be "Professional Services" pursuant to the Local Public Contracts Law, N.J.S.A. 40A:11-1, et seq.; and

WHEREAS, the Local Public Contracts Law authorizes the awarding of a contract for "Professional Services" without public advertising for bids and bidding therefore, provided that the Resolution authorizing the contract and the contract itself be available for public inspection in the office of the Municipal Clerk and that notice of the awarding of the contract be published in a newspaper of general circulation in the municipality.

NOW, THEREFORE, BE AND IT IS HEREBY RESOLVED, by the Township Council of the Township of Marlboro that the Mayor is hereby authorized to execute contracts, in forms legally acceptable to the Township Attorney, between Birdsall Engineering, Inc. and the Township of Marlboro to provide the required professional services for the Projects in accordance with the Proposals; and

BE IT FURTHER RESOLVED that the Chief Financial Officer is directed to file a Certificate of Availability of sufficient funds for this contract and to attach same to this Resolution; and

BE IT FURTHER RESOLVED, that a certified copy of this Resolution shall be provided to each of the following:

- a. Birdsall Engineering, Inc.
- b. Township Engineer
- c. Business Administrator
- d. Township Chief Financial Officer
- e. Gluck Walrath, LLP
